SERVICE-DISABLED VETERAN-OWNED CERTIFIED

SBA-CERTIFIED SDVOSB

SBA
U.S. Small Business Administration

COMPANY OVERVIEW

Valiant Vet Armed Security is an SBA-certified Service-Disabled Veteran-Owned Small Business providing professional armed and unarmed security services throughout Maryland. We support government facilities, commercial properties, healthcare environments, construction sites, events, and critical infrastructure, industrial facilities, and regulated environments.

Our veteran-led management model emphasizes accountability, regulatory compliance, responsive communication, documented incident reporting, and disciplined contract oversight.

CORE COMPETENCIES

- Armed Security Services
- Unarmed Security Services
- Mobile Patrol and Security Response
- Access Control and Visitor Screening
- Executive and Personal Protection
- Private Investigative Services
- Facility and Critical-Infrastructure Protection
- Event and Commercial Property Security
- Incident Reporting and Compliance Documentation
- Surge Staffing and Subcontractor Support

WHAT SETS US APART

- Direct executive oversight and responsive decision-making
- Maryland-licensed security and private detective agency
- Veteran-led executive management and qualified-agent oversight
- Structured contract mobilization and transition plan (30/60/90-day framework)
- Executive-level oversight and responsive issue escalation
- Scalable staffing for prime, subcontract, and surge requirements
- Documented post orders, incident reporting, and performance controls
- 24/7 responsive support and communication
