COMPANY OVERVIEW

Valiant Vet Security Group LLC, doing business as Valiant Vet Armed Security, is a Maryland-based, SBA-certified Service-Disabled Veteran-Owned Small Business providing armed and unarmed security and protective services. We pair veteran-led accountability with a clear chain of command, site-specific planning, and direct leadership oversight. From facility security and access control to executive protection and events, our focus is straightforward: understand the assignment, communicate clearly, and protect people and property with professionalism.

CORE COMPETENCIES

- Armed security services
- Unarmed security services
- Mobile patrol and security response
- Access control and visitor screening
- Executive and personal protection
- Facility and critical-infrastructure protection
- Event and commercial property security
- Incident reporting and compliance documentation
- Surge staffing and subcontract support

DIFFERENTIATORS

- Direct executive oversight and responsive decision-making
- Maryland-licensed Security Guard Agency
- Veteran-led executive management
- Structured contract mobilization and transition planning
- Executive-level oversight and responsive issue escalation
- Scalable staffing for prime, subcontract, and surge requirements
- Documented post orders, incident reporting, and performance controls
